

# FIND WHAT'S NEXT.

## DELIVERS

an intuitive, evidence-based education and career planning experience for Floridians.

## SERVES

college students and job seekers of all ages.

## PROVIDES

empowerment while planning for a job, switching occupations, or moving up in a career.

## Free preparation for a brighter future.

**MyCareerShines**, gives postsecondary students and adults a flexible platform to gain insight and explore an exciting range of career and education options — all directly related to personal interests, skills, and work values.

**And, its free.**

Get started at [www.mycareershines.org](http://www.mycareershines.org) today!

## FEATURES & BENEFITS

### Inspires

users to confidently take the next step in life.

### Establishes

a solid foundation for career planning based on reliable and validated career interests, skills confidence, and work values assessments.

### Adapts

to provide information relevant to unique life stages or circumstances based on specific, individual needs or barriers to education or employment.

### Includes

a comprehensive toolkit of resources to explore careers, find education and training options, create resumes, build and share an e-Profile, and more.

### Facilitates

selection of the right educational track. Students who select their major or program based on Kuder assessment results never change their major, persist in college, and have higher GPAs.

### Promotes

successful usage through companion curriculum, *Take Hold of Your Future™*— ideal for use in a career orientation course.

### Improves

accountability and quantifies program success with robust reporting tools.

### Tracks

data so administrators can monitor individual progress or high-level trends and quickly communicate with system users.

“Students find the system intuitive and can create their career portfolio and add to it throughout the course. Completing the online career assessments provides valuable insights for exploratory majors along with the tools needed to conduct occupational research on majors and careers.”

**Sandra Jakubow**

Director, Career Development Center  
Florida Atlantic University  
Boca Raton, Florida
